## Sunnyvale Auto Row “Support Our Schools” Program

In partnership with the Sunnyvale School District Education Foundation (SSDEF), Sunnyvale Auto Row is pleased to announce the formation of the “Support Our Schools” Program. Starting February 1, 2006 and continuing until June 30, 2006, **each time a new or used car is sold at participating dealerships, Sunnyvale Auto Row will donate \$100 on behalf of the buyer to support our local schools.** All you need to do is obtain a form\* (one can be found on the back of this brochure), fill out your name/address and designation and give it to the dealer in the course of the sale. The dealer will submit the forms/donations to SSDEF for processing and funds disbursement.

### Why the “Support Our Schools” Program Needs You

Our state is ranked among the **worst in the nation for K-12 education.**

California is **third from the bottom** in the National Assessment of Educational Progress (NAEP).<sup>1</sup>

California spends **\$800 below the national average of \$6,000 per student per year.**<sup>2</sup>

Every school district in California receives the same state funding per student. At this low level of funding, no district can afford reasonable offerings for arts, library programs, counseling, health and technology. The districts that have arts, technology and library programs **are funded by private donations.**

### About the Sunnyvale School District Education Foundation

The Sunnyvale School District Education Foundation (SSDEF) provides resources to support innovative opportunities for student success. SSDEF raises funds in order to maximize the skills of every student in the district by initiating meaningful programs that:

- Reward teachers’ innovative ideas
- Transform school libraries into high-tech learning resource centers
- Promote community and business relationships

The SSDEF is a California non-profit corporation with tax-exempt status under the State’s Franchise Tax Board and under IRS rule 501 (c) 3. Our Tax I.D. Number is 77-0574182. For more information, please visit our website at [ssdef.org](http://www.ssdef.org).
